

# NATURAL DIAMOND COUNCIL

As the holiday season is upon us, it's clear that while consumers want gifts with lasting value and significance, they also want what's new, fun and fashionable. They're craving inspiration and we have all the answers in the [Holiday Trend Report](#).

After a year of upheaval, this holiday season will be especially meaningful, and gifts will be symbols of hope, love and celebration. Natural diamonds hold those values, plus provide a sense of whimsy and fun. And that's something we all need more of this holiday.
